4. Ultimate Versatile Hangman

5. Our project is a versatile and multi-faceted application that offers unique,

    wonderful, and engaging functionalities including a dictionary that utilizes a API

    to fetch and display information to users, a unique take on the Hangman game, a

    database that stores user usage statistics and details, a multiplayer function with

    leaderboard, and fun features like color themes and sound effects.

6. For the social gamer, Who loves to game with friends. The Ultimate Hangman is

    an online game that encourages friendly competition and strengthens your mind.

    Unlike boring regular hangman, our product can be played online, anywhere.

7. Version Control: github repository

8. Development Methodology: [trello board](#) using Kanban method for tasks

9. Communication Plan: We will communicate using Slack and we will stay in touch

https://join.slack.com/t/hangmanteamgroup/shared_invite/zt-2t8yh5zjo-KQHPCJTMRdCkY7pjnWGQrQ

10. Meeting Plans: Thursday's after recitation (1:05 - 1:20) in person in class!!!

In slack for meetings between team members.
